Dear Mr. Chairman:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting herewith certification of a proposed amendment to a manufacturing license agreement with Turkey in the amount of \$50,000,000 or more.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
